YOU CAN BE SOMEONE'S HOPE

Hope to someone with a serious illness is knowing help is available. Contenu is that help. Contenu provides programs, tools, and services to individuals, loved ones, healthcare professionals, and caregivers so they can be skilled in personalized wellness and advocates for themselves and others.

This year we are hoping to help hundreds more and we're inviting you to help. Join us in sponsoring our weekend retreats and programs. Your financial support helps individuals to evolve in mind, body, and spirit in a holistic way. Contenu retreats are a way to refresh, recharge and relax while learning about self-care and enrichment.

After offering our First Retreat in August 2022, where over 80 individuals attended, we hosted two Retreats in 2023 at New Water Farms, in Dadeville, Alabama, and at The Lodge at Gulf State Park in Gulf Shores, Alabama. We look forward to facilitating two more events, in the same locations, in 2024.

We are offering you the opportunity to help by sponsoring one or more of these retreats.
